## Employment Standard Update

March 13, 2009

Further to the email on March 10<sup>th</sup>, HRPA has been advised that the Ontario government is conducting public consultation sessions across the province on the draft Employment Accessibility Standards. HRPA strongly believes it is in the best interests of our members to attend these sessions to educate themselves on the proposed Employment Accessibility Standards, as they will have profound impacts on their company's operations.

**If you are interested in attending one of these sessions you must confirm your attendance with:**

Hope Fridal at: 1-888-482-4317, or [public.review@oliverwyman.com](mailto:public.review@oliverwyman.com)

A confirmation package will be sent to you by e-mail.

If you have any questions please contact Scott Allinson, Director, Government & External Relations at: [sallinson@hrpa.ca](mailto:sallinson@hrpa.ca)
