

# Hire a Niagara College Student!

Niagara College has students from a variety of programs that are able to assist with staff coverage, peak seasons and special projects. Our students are eager to learn and to contribute to the success of your business!

## Niagara College will:

- Post your job ad for free
- Assist with interview scheduling
- Provide on-campus recruiting opportunities
- Provide you with information on how to access government wage subsidies and tax credits

**Now there's more reason than ever to hire qualified and enthusiastic Niagara College students. The Ontario Co-operative Tax Credit has been increased to a maximum of 30% and \$3,000 per 4-month work term.**

Contact the Niagara College Job Centre for more information or to post a job:
